<https://orcid.org/0000-0003-1024-2065>

Christine Trampusch is a political scientist specialized in comparative politics, comparative political economy and the application of (comparative) case-oriented research methods. Her current research projects cover different (policy) areas, namely the political economy of skill formation regimes, welfare states, industrial relations, digitalization as well as of financial market regulation and public debt.

Her research has been published in various international and national peer-reviewed journals, among them are: *Australian Journal of Political Science*, *British Journal of Political Science*, *British Journal of Industrial Relations*, *Berliner Journal für Soziologie*, *Comparative Politics*, *Competition & Change*, *European Journal of Industrial Relations*, *European Journal of Political Research*, *German Politics, Governance*, *Industrielle Beziehungen*, *Journal of European Social Policy*, *Journal of Vocational Education and Training*, *Journal of Social Policy*, *New Political Economy*, *Politische Vierteljahresschrift*, *Regulation & Governance*, *Review of International Political Economy*, *Social Policy & Administration*, *Swiss Political Science Review*, *West European Politics*, *Zeitschrift für Parlamentsfragen*, *Zeitschrift für Staats- und Europawissenschaften* and *Zeitschrift für Vergleichende Politikwissenschaft*.

In 2012 Christine Trampusch has edited the volume "The Political Economy of Collective Skill Formation", which was published by *Oxford University Press* (together with Marius R. Busemeyer); in 2011, *Routledge* published the volume "Switzerland in Europe. Europe in Switzerland", which she edited together with André Mach. Her "*Habilitationsschrift*" on "Der erschöpfte Sozialstaat" (The Exhausted Welfare State) was published by the *Campus Verlag* in 2009.
